

## MORE FEATURES

### ORIGIN INVERTER™

Both the compressor and the fan are inverter-controlled. The fan automatically changes speed at four levels based on the compressor's cooling capacity.

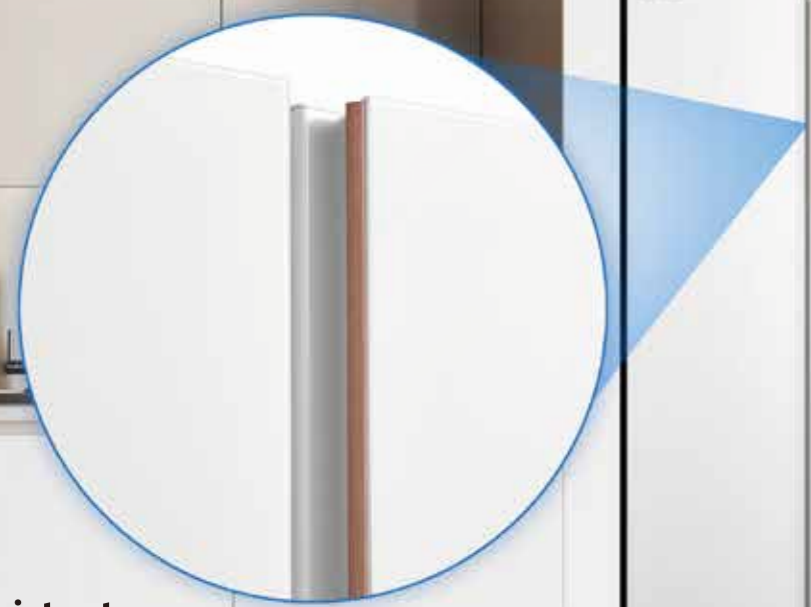

- Energy saving
- Lower noise
- Auto-adjusting cooling
- Stable temperature

## Elegant-Lux Design

### Fuji White Panel

The Fuji White panel utilizes the industry's pioneering nanoscale AF coating and 10-layer technology to create the ultimate skin-like texture, exuding a warm, jade-like quality. Its refined aesthetic effortlessly complements diverse living environments, bringing sophistication and harmony to any home.

- Easy to clean
- Fingerprint-resistant
- Scratch-resistant

# TOSHIBA

## NaturePURE Series

Bigger, Cooler, Fresher in One Go

### GR-RS905WIA-PGY(67)

## — NaturePURE

**PAIR**  
LURE

### 99%+ Sterilization and Deodorization.

PureAIR actively releases electrons to sterilize and deodorize the entire fridge, eliminating harmful bacteria and preserving the natural taste of food. Ideal for families with babies, it provides a safe space for storing breast milk, formula, and other baby foods—helping you care for your loved ones with confidence.

- 99.99%+ sterilization rate
- 99%+ deodorization rate
- 16 years service life

**PAIR TURBO**  
LURE

### Industry-Leading Purification Efficiency.

With one click, PureAIR Turbo mode activates, purifying three times faster than normal mode, perfect for those who enjoy traditional foods with strong flavors such as spicy tom yum soup.

- Active purification
- One click, triple purification speed

**ICE**  
LURE

### 3-Level Pure Ice System.

A 3-level purification system consisting of a water filter, food-grade material and PureAIR ensures that the ice cubes are hygienic, odorless and ready to eat without washing.

- Hygienic & fresh ice
- 99.99%+ sterilization rate
- 99%+ deodorization rate

## — ROOMY STORAGE

### 820L Large Capacity

#### Stores Two Weeks of Food for the Whole Family.

With a massive capacity of 820L, it meets the diverse storage needs of every member of the family, perfect for family gatherings or holiday preparations - It's like bringing the supermarket home!

- A fridge for the whole family
- Same dimension, larger capacity
- 2 week's food storage

### 315L Large Freezer

An extra-large freezer with a capacity equivalent to a 315L chest freezer, while saving 10% of floor space.

Easily stock up on ingredients for the whole family and stay worry-free, even during the festive season.

## — EXTRA FRESH

### Magic 2 Sizes Ice

#### Dual Ice Makers for Tailored Needs.

With two built-in independent ice makers, this refrigerator automatically produces two sizes of ice cubes to meet different needs.

- Cubed ice: 12 kg/24h;  
Half cube: 0.8 kg/24h
- One single box stores up to 2kg of ice

### Quick Ice-Making

#### Ice Made Easy, Anytime.

The magic 2 sizes ice can be made in just about 95 minutes per session. Whether it's a post-workout drink, slushies at parties, or iced coffee while working, we've got you covered.

- 95 minutes ice-making

### Multi Air Flow

#### Even Cooling, Fresher Ingredients.

The multi-layer air duct design allows cold air to flow into each shelf compartment to maintain a stable internal temperature and prolong food freshness.

- Even cooling
- Stable temperature
- Prevent moisture loss
